

# CERTIFICATE OF ACCREDITATION

**No. I-001**

dated 12.06.2023

The Slovak National Accreditation Service issues a Certificate of Accreditation to an accredited body pursuant to Section 26 par.6 of Act No. 53/2023 Coll. on Accreditation of Conformity Assessment Bodies (hereinafter referred to as the "Accreditation Act").

**Technická inšpekcia, a.s.**

Trnavská cesta 56, 821 01 Bratislava

ID Number: 36 653 004

**Organizational unit performing the activity of the Accredited Body:**

Type A Inspection body

**Workplace of the Accredited Body:**

TI Bratislava head office, Trnavská cesta 56, 821 01 Bratislava

TI Bratislava regional office, Železničiarska 18, 811 04 Bratislava

TI Nitra regional office, Vajanského 1552/3, 949 01 Nitra

TI Banská Bystrica regional office, Partizánska cesta 71, 974 00 Banská Bystrica

TI Košice regional office, Hollého 3, 040 01 Košice

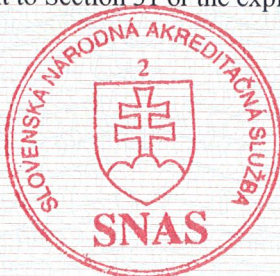

**Identification number of the Accredited Body:** 097/I-001**Area of accreditation:** Inspection body

The inspection body type A demonstrated its competence to perform the accredited activity fulfilling the accreditation requirements of **ISO/IEC 17020: 2012** when performing an inspection of pressure equipment and their parts including packaging for transport of dangerous goods (ADR/RID), lifting, electrical, gas equipment and their parts, machinery and its parts, verification of professional competence of the natural person who will carry tests, expert inspections and expert test, repairs and operation of classified technical equipment; construction documentation, an inspection of heating systems, technical conditions for the operation of distillery enterprises, vinegar works, and yeast plans, including inspection related with procedures of conformity assessment; conformity assessment of means of popular entertainment, playground equipment and sports and recreational facilities within accreditation scope delineated in the Annex of this Certificate of Accreditation. The Annex shall form an integral part of the Certificate of Accreditation.

**Number and date of issue of the accreditation decision:** No. 097/10108/2023/2 dated 02.06.2023.**Validity of the accreditation decision:**

The accreditation decision No. 097/10108/2023/2 dated 02.06.2023 is valid from 12.06.2023 to 31.10.2025.

The validity of this Accreditation Certificate expires upon the expiry of the accreditation decision, the decision on withdrawal of the accreditation pursuant to Section 31 or the expiry of the accreditation pursuant to Section 32 of the Accreditation Act.

  
Štefan Král  
director

## Scope of accreditation

**Accredited organization:** Technická inšpekcia, a.s.  
Trnavská cesta 56, 821 01 Bratislava

**Organizational unit carrying out activity of the accredited organization**  
Inspection authority of type A

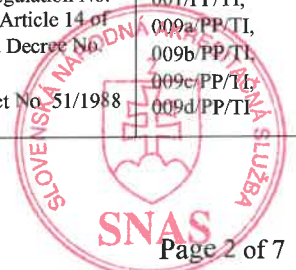

**Place of activity of the accredited organization:**  
TI Bratislava Headquarters, Trnavská cesta 56, 821 01 Bratislava,  
TI Bratislava regional office, Železničiarska 18, 811 04 Bratislava  
TI Nitra regional office, Vajanského 1552/3, 949 01 Nitra  
TI Banská Bystrica regional office, Partizánska cesta 71, 974 00 Banská Bystrica  
TI Košice regional office, Hollého 3, 040 01 Košice

**Identification number of the accredited organization:**  
736/K-138

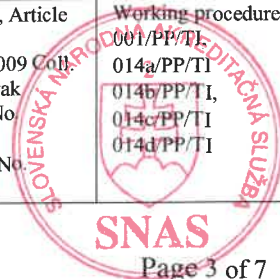

Inspection authority of type A						
Item number	Inspection category	Inspection area (and sub-areas)	Scope of inspection	Stage of inspection	Inspection requirements or criteria	Methods and procedures of inspection
1		<b>Pressure equipment and their parts</b>				
1a	<b>Product</b>	Assessment of the design documentation, type tests, official tests, repeated official tests of pressure equipment and their parts		before putting into operation, or in operation	according to Article 5, Article 10 and Article 12 of Regulation No. 508/2009 Coll. and Article 14 of Act No. 124/2006 Coll. and Article 8a of Act No. 51/1988 Coll.	Working procedure 001/PP/TI, 012a /PP/TI, 012b/PP/TI, 012c/PP/TI, 012d/PP/TI
1b	<b>Process</b>	Verification of employer's professional competence for professional inspections and professional tests and repairs of a dedicated technical equipment and issuance of authorizations for these activities		before the commencement of any activity	pursuant to Articles 14 and 15 of Act No. 124/2006 Coll. and Article 8a of Act No. 51/1988 Coll.	Working procedure 001/PP/TI, 007/PP/TI
1c	<b>Process</b>	Verification of specialised knowledge of a natural person for the execution of test, professional inspections and professional tests, repairs, reconstructions, installation and operation of a dedicated technical pressure equipment and issuance of relevant documents		before the commencement of any activity	pursuant to Article 8a of Act No. 51/1988 Coll.	Working procedure 002/PP/TI, 003/PP/TI
1d	<b>Product</b>	Inspection as assessment of conformity		before putting into operation	Directive 2014/68/EU and Slovak Government Decree No. 1/2016 Coll.	Working procedure 001/PP/TI, 012g/PP/TI
		- European approval of materials			Pursuant to Article 15	
		- Approval of working procedures			Annex I Article 3.1.2	
		- Module A2			Annex III item 2	
		- Module C2			Annex III item 4	
		- Module F			Annex III item 9	
		- Module G			Annex III item 10	
1e	<b>Product</b>	Inspection of pressure equipment and their parts		before putting into operation, or in operation	according to specific customer's requirements	Working procedure 001/PP/TI, 012c/PP/TI
		- product and installation - as a support of certification			Harmonized technical standards to Directive 2014/68/EU and Slovak Government Decree No. 1/2016 Coll. or other technical specifications	

Inspection authority of type A						
Item number	Inspection category	Inspection area (and sub-areas)	Scope of inspection	Stage of inspection	Inspection requirements or criteria	Methods and procedures of inspection
2		Transportable pressure equipment				
2a	Product	Inspection as assessment of conformity	Packages, cisterns, vessels, tanks, their valves and accessories	before placing the device on the market and during the operation	Directive 2010/35/EU (Act No. 254/2011 Coll.)	Working procedure 001/PP/TI 012e/PP/TI
		- periodic inspection			Article 12 of Directive 2010/35/EU and Section I.1 of Annex I, Section II.1 of Annex II and Section III.1 of Annex III to Directive 2008/68/EC	
		- interperiodic inspection			Article 12 of Directive 2010/35/EU and Section I.1 of Annex I, Section II.1 of Annex II and Section III.1 of Annex III to Directive 2008/68/EC	
		- extraordinary inspection			Article 12 of Directive 2010/35/EU and Section I.1 of Annex I, Section II.1 of Annex II and Section III.1 of Annex III to Directive 2008/68/EC	
		- repeated conformity assessment			Article 13 of Directive 2010/35/EU and Annex III of Directive 2010/35/EU	
		- conformity assessment of the new device			Article 12 of Directive 2010/35/EU and Section I.1 of Annex I, Section II.1 of Annex II and Section III.1 of Annex III to Directive 2008/68/EC	
2b	Product	Inspection of packages and cisterns and their parts intended for carriage of dangerous goods for international railway transport		before putting into operation, or in operation	according to Chapters 6.2, 6.7, 6.8 ÷ 6.10, 6.12 of Regulation concerning the International Carriage of Dangerous Goods by Rail (RID)	Working procedure 001/PP/TI, 012e/PP/TI
2c	Product	Inspection of packages and their parts intended for carriage of dangerous goods for international road transport		before putting into operation, or in operation	according to Chapter 6.2 of Agreement concerning the International Carriage of Goods by Road (ADR)	Working procedure 001/PP/TI, 012e/PP/TI
3		Simple pressure vessels				
3a	Product	Inspection of simple pressure vessels		before putting into operation, or in operation	according to specific customer's requirements	Working procedure 001/PP/TI 012f/PP/TI
		- product and installation				
		- as a support of certification			Harmonized technical standards to Directive 2014/29/EU (Slovak Government Decree No. 234/2015 Coll.), or other technical specifications	
4.		Lifting equipment and their parts				
4a	Product	Assessment of the design documentation, type tests, official tests, repeated official tests of lifting equipment and their parts		before putting into operation, or in operation	according to Article 5, Article 10 and Article 12 of Regulation No. 508/2009 Coll. and Article 14 of Slovak Government Decree No. 124/2006 Coll. and Article 8a of Act No. 51/1988 Coll.	Working procedure 001/PP/TI, 009a/PP/TI, 009b/PP/TI, 009c/PP/TI, 009d/PP/TI

Inspection authority of type A						
Item number	Inspection category	Inspection area (and sub-areas)	Scope of inspection	Stage of inspection	Inspection requirements or criteria	Methods and procedures of inspection
4b	Product	Inspection such as conformity assessment of lifts and their parts		before putting into operation, or in operation	Directive of the European Parliament and of the Council 2014/33/EU and Slovak Government Decree 235/2015 Coll. As amended	Working procedure 001/PP/TI, 009e/PP/TI
		- Final inspection (lifts)			Annex V	
		- Module G (lifts)			Annex VIII	
		- Module C2 (safety parts)			Annex IX	
4c	Process	Verification of professional competence of organizations dealing with professional inspections and professional tests and repairs of lifting equipment and issuance of authorizations for these activities		before the commencement of any activity	pursuant to Articles 14 and 15 of Act No. 124/2006 Coll. and Article 8a of Act No. 51/1988 Coll.	Working procedure 001/PP/TI, 007/PP/TI
4d	Process	Verification of specialised knowledge of a natural person for the execution of test, professional inspections and professional tests, repairs, reconstructions, installation and operation of a dedicated technical lifting device and issuance of relevant documents		before the commencement of any activity	pursuant to Article 8a of Act No. 51/1988 Coll.	Working procedure 002/PP/TI, 004/PP/TI
4e	Product	Inspection of lifting equipment and their parts		before putting into operation, or in operation	according to specific customer's requirements	Working procedure 001/PP/TI 009f/PP/TI
		- product and installation			Harmonized technical standards to Directive of the European Parliament and of the Council 2014/33/EU and Slovak Government Decree 235/2015 Coll. as amended or other technical specifications	
		- as a support of certification of lifts and their safety parts			Harmonized technical standards related to Regulation of the European Parliament and of the Council (EU) 2016/424 on cableway installations or other technical specifications	
4f	Product	Inspection as conformity assessment of safety components and subsystems of cableway installations intended for transport of persons		before putting into operation, or in operation	Regulation of the European Parliament and of the Council (EU) 2016/424 on cableway installations	Working procedure 001/PP/TI 009f/PP/TI
		- Module F			Annex V	
		- Module G			Annex VI	
5.		<b>Electrical equipment and their parts</b>				
5a	Product	Assessment of the design documentation, type tests, official tests, repeated official tests of electrical equipment and their parts		before putting into operation, or in operation	according to Article 5, Article 10 and Article 12 of Regulation No. 508/2009 Coll. and Article 14 of Slovak Government Decree No. 124/2006 Coll. and Article 8a of Act No. 51/1988 Coll.	Working procedure 001/PP/TI, 014a/PP/TI, 014b/PP/TI, 014c/PP/TI, 014d/PP/TI
